Forecast For West Midlands
Issued by Met Office Exeter
at 1600 on Tuesday 10 Aug 2021

++ Valid for broadcast between 1800 and 0600

Headline:
A dry but cloudy night, clear skies by early morning.

This Evening and Tonight:
Any isolated showers will quickly clear to leave a dry night for all. Skies will remain largely cloudy with clear spells through the night but clearing up during the early morning. Winds will remain light overnight. Minimum temperature 10 deg C (50 deg F).

Wednesday:
A dry start to the day with cloud pushing in from the west during the morning. Outbreaks of light rain will spread over the region in the afternoon. Maximum temperature 23 deg C (73 deg F).

Outlook for Thursday to Saturday:
Mostly fine and dry but some odd showers in the afternoon on Thursday and Friday. Similar start on Saturday with showers later. Light winds throughout the period. Temperatures near average.
